We made it to the elite 2008 Microsoft Dynamics President's Club!

3P Solutions Pte Ltd has been named to the Microsoft Dynamics President's Club for the second consecutive year receiving recognition from Microsoft Corporation for its dedicated commitment to customers. The elite club recognizes the top 5 percent of Microsoft Business Solutions partners worldwide and their constant dedication to delivering solutions that meet their customer's unique needs, active pursuit of product & technological advancement, and impressive sales performance. Cheers to another great achievement by the 3P Solutions Team!

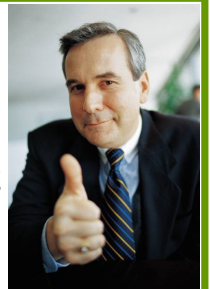

Our latest addition—Chong Lee Leong Seng (CLS)

Chong Lee Leong Seng—a local company has chosen Microsoft Dynamics CRM 4.0 to help them achieve a consolidated view of their customer's transactions and be able to track emails, among other business processes. Having started in early June 2008, the project is expected to go 'LIVE' in just 8 weeks! Watch this space for more information about the project's successful implementation.

Our Success Story—Marketing Institute of Singapore!

The Marketing Institute of Singapore (MIS) is a well recognized institute providing education and executive development programs for the past 35 years in Singapore. MIS selected Microsoft Dynamics CRM 4.0 to help them better manage enquiries, facilitate work process and their existing customer database. Currently, they are enjoying the benefits of Microsoft Dynamics CRM and is very much happy and satisfied with the advantages they are deriving from it. MIS celebrated their successful implementation as they went 'LIVE' on 06 May 2008. For more information on this success story, click [here](#).

Panasonic Vietnam has gone 'LIVE!'

Curving a niche on Customer Service, **Panasonic Vietnam** has gone 'LIVE!' Having chosen Microsoft Dynamics CRM 4.0 and Microsoft Office Sharepoint Server 2007, Panasonic Vietnam went through a successful implementation in just 6 months! User-friendliness, affordability & short implementation timeframe were the outstanding features that lead to the selection of these Microsoft technologies. Cheers to both Panasonic and 3P Solutions Teams to this success!
